Smoothness shapes, curved fronts with 3D design, integrating the handle inside the front, making it disappear. Its elegant and ergonomic design adapts to any space.

Interior complements the exterior with the smooth movement of the Grass metal drawer, capacity of 40Kg which allows soft opening from either side of the drawer. It is perfect for large families due to its high storage capacity.

Combine it with worktops and washbasins adapted to its shape, which continue the curve and complement the design of your space, providing functionality and style. Take this opportunity to create a unique and customized environment.
