Depth (mm)	495			
Height (mm)	40			
Net weight (kg)	8,1	10,1	12,1	17,2
Gross weight (kg)	8,6	10,7	12,8	18,2

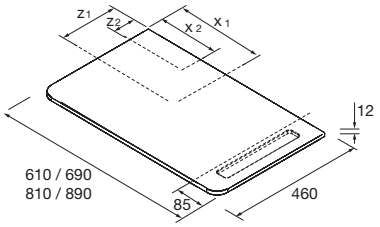

Technical Characteristics

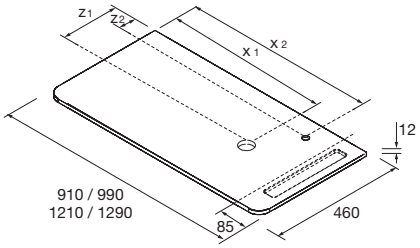

_Countertop manufacturing (12 mm):
Countertops machined to the size of the furniture models in the MAM series.
- White Solid Surface and white marble finish: Compound material of polyester resin with very fine uniform solids of natural mineral composition called ATH, aluminium trihydrate.
- Black slate: Compact material with monochrome core. Resistant to abrasion and moisture, with good functionality and appearance. They need no additional edging or any work on the surface finish.

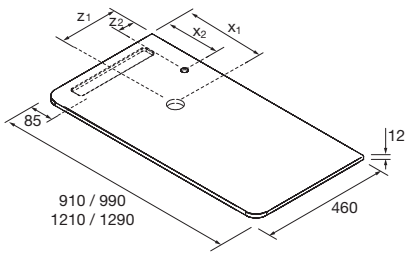

The countertops have a machining option for the tap, top basin drain and left- or right-hand towel rail.
